

Cub Scout Overnighter Aboard the USS KIDD

WHO: Pack 24 Cub Scouts

WHEN: November 8-9th

Where: Baton Rouge, La.

It has been three years since Pack 24 has taken over command of the USS Kidd. Join the Pack for an overnight stay aboard a war veteran ship.

We have an optional afternoon tour of the State Capitol planned for mid-afternoon, which will conclude in enough time for families to have dinner on their own. We need to be back at the Kidd between 6:30 and 7:00 to board.

Breakfast Sunday (from McDonald's) is included in the overall trip fee of \$22 per person. You are free to leave as you wish Sunday morning.

Documents are available on the Pack's web site (www.pack24.org) to assist you, and these maps and further details will be in an upcoming Childpost. The current posting on the home page has trip-related downloads. **Please review the safety regulations enforced by the operators of the ship with all children attending.**

IMPORTANT: If you plan to attend, please let us know! Fill out the slip below and return it via school, or fax it to 504-568-1137. Questions? Call Stuart McKendrick at: H: 504-865-7481 O: 504-568-1135 C: 504-251-3509
